Dear Parents,

Where did the school year go? It seems like just yesterday that the students were walking into the school for the first day! It was a very positive and productive school year.

Graduation was Thursday, May 12. Graduation, as always, was a very special event, and the seniors all did great jobs on their speeches. We are very proud of each of them.

Please remember that students will have both summer book reports and math packets to complete this summer. The goal is to help everyone retain the knowledge learned during school year!

We look forward to seeing all the returning students next year and wish those who are moving well.

I hope you all have a very blessed, restful summer.

Sincerely,

Nan Miller
