Dear Parents and Students,

Welcome back to school! The summer went by very quickly, and we are glad to have everyone back in the classroom. Concord has twelve new students and families we would like to welcome. *Meet the Teacher Night* will be held Thursday, August 24 from 6-8 pm. Come meet all the Concord Staff and see the curriculum your students will be using this year. Our Block Party is scheduled for Tuesday, September 12 from 5:30-7:30. This is a great way to meet other families in a casual environment. Look for a flyer from the PTO. Also watch for Concord Happenings, (emailed every Wednesday), for information about weekly activities. We are looking forward to another wonderful school year.

Solar Eclipse

The students headed outside to check out the Solar Eclipse. They had special glasses to wear approved by NASA. The students had a great time.

Yearbook Signing Party

This year's Yearbook Signing Party was tons of fun. The students and staff all gathered in the gym and signed each other's yearbooks. We even saw some familiar faces of former students! It was great to see everyone!

Volunteer Opportunity

Our Art Teacher, Elizabeth Posey, is asking for help during her middle and high school art classes. Help is needed any day from 12:15pm - 2:00 pm. The students are working on simple sewing projects, and Ms. Posey could use an extra set of hands! We are also in need of embroidery hoops if you have any to donate. Please contact Nan Miller at nmiller@concord-academy.org or 901.682.3115 if you are interested in helping in art or any other volunteer opportunity.

Meet Our New Staff!

Paul Gentry:

1. I went to Memphis State University and received a B.S. in chemistry, (the name of the school gives an idea of how long ago that was). I also attended The University of Phoenix online, where I received an MAT in curriculum and instruction.
2. My favorite baseball team is the St. Louis Cardinals. I also like the Memphis Tigers basketball and football teams.
3. My honeymoon is my favorite vacation. We camped several days in the Smokies then we spent a week in Orlando.
4. I play trombone in my church orchestra and a small brass ensemble.

Middle School is hard at work

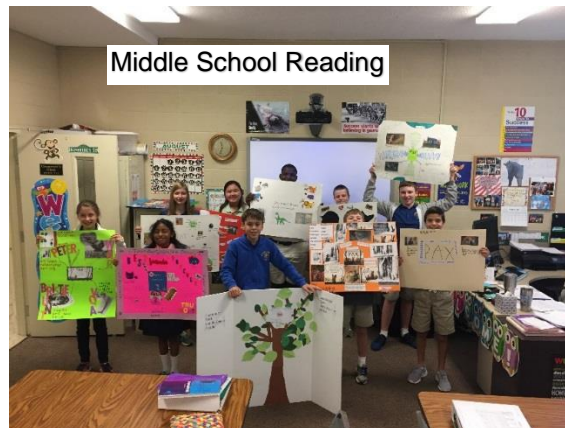

Mrs. Marlin's 6th Grade Science class helped the school get ready for the Solar Eclipse, and Ms. Krosp's 7th Grade Science class made posters about the Earth's spheres. Ms. Krosp Middle School Reading class made book splashes on their summer reading books that will be displayed for during *Meet the Teacher Night*.
